KABATAAN PARTYLIST

SOLE YOUTH PARTY-LIST

KABATAAN Partylist is the first and only youth representative in Philippine Congress today.

Kabataan Partylist is a large network of energized and pro-active young people who are leaders in various organizations and formations, as well as young individuals that reflect the diversity of their communities and social status.

Together with some of its founding organizations - the National Union of Students, College Editors Guild, the League of Filipino Students, Student Christian Movement of the Philippines, Anakbayan and Kabataang Artista para sa Tunay na Kalayaan – Kabataan Party-list vigorously campaigns for youth and students' interests and demands concerning education and employment.

Kabataan party-list remains at the forefront of youth and students' campaigns against unabated tuition and miscellaneous fee increases, for higher state subsidy for education, adequate jobs for new graduates, the defense and recognition of human rights and civil liberties which include consumer rights and the right to health, and the protection and conservation of national patrimony. It continues to give primacy to the promotion of holistic development and genuine youth empowerment through volunteer work, leadership and skills training and other activities that cater to the needs and interests of young Filipinos.

Drawing inspiration from great youth leaders and the first youth party in the Philippines, Young Philippines, Kabataan Party-list reaffirms the youth's vanguard role and leadership in social transformation and nation building.

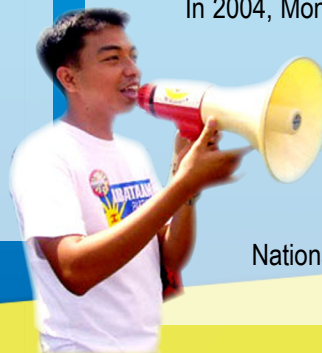

PROGRAM OF ACTION

1. Empower the youth to encourage them to take on active participation in nation-building, good governance and social change.
2. Uphold the youth's fundamental rights and democratic interests (education, employment, environment, sports, health, etc.)
3. Assert the youth's right to decent living, equal opportunities and humane living conditions.
4. Assert and safeguard national independence, respect for national patrimony, love and loyalty to the country.
5. Guarantee the participation and representation of the youth in all affairs of governance and decision-making bodies of government.

FIRST YOUTH REPRESENTATIVE CONG. MONG PALATINO

29-year-old Mong Palatino is considered as one of the most brilliant youth leaders in the country. He was chairperson of the University Student Council of the University of the Philippines (UP) Diliman in 2000 and president of the National Union of Students of the Philippines (NUSP), the largest alliance of tertiary student councils nationwide from 2001 to 2003. He is also one of the leading youth veterans of EDSA Dos. He is also the first blogger to be elected Congressman.

In 2004, Mong was recognized by the Quezon City government for exemplary youth leadership and was awarded by the United Nations Association of the Philippines as an Outstanding Youth Leader for Advocacy on National Concerns.
